SUB-SECTION A: BIBLE-THEMED MAZES (Pages 86 93)

PAGE 86 MAZE 1: "Help Noah's Animals Find the Ark!"

Difficulty Level: Easy

Starting Point: A group of paired animals (two lions, two birds, two rabbits) standing together on the left side of the page.

Ending Point: Noah's Ark a large wooden boat with a ramp leading up to the door, positioned on the right side of the page.

Maze Path Shape/Theme: The maze paths are shaped like gentle rolling hills and fields. The corridors are wide (appropriate for ages 4 5) with only 2 3 dead ends. The overall maze footprint is rectangular, approximately 6" 5".

Decorative Elements:

- Raindrops falling lightly around the border of the maze
- Small flowers and bushes along the outer edges
- A gray sky with clouds above the maze
- Noah waving from the Ark door at the finish point

Instruction Text: "Help the animals find their way to Noah's Ark before the rain comes!
Trace a path from the animals to the Ark."

Bible Verse: "So Noah did everything exactly as God had commanded him." Genesis 6:22
(NLT)

Layout Notes:

- Maze occupies the center 70% of the page
 - Title in large, bold, playful font at the top

Ending Point: The Promised Land a green, sunny land with trees and flowers on the right side.

Maze Path Shape/Theme: The maze is shaped like parted water two tall "walls" of water on either side with the path running through the middle. The corridors wind through the sea floor. Wide paths with 2-3 dead ends. The overall shape suggests the parted Red Sea.

Decorative Elements:

- Blue water walls on both sides of the maze with fish and sea creatures visible inside
- Sandy sea floor texture along the paths
- Egyptian chariots visible far behind Moses (not threatening, cartoon-style)
- Sun shining brightly over the Promised Land at the finish

Instruction Text: "Help Moses and the Israelites walk through the Red Sea to reach the other side! Find the path through the parted waters."

Difficulty Level: Easy

Starting Point: Young David holding a shepherd's staff, standing on a hillside at the top-left.

Maze Path Shape/Theme: The maze is set in rolling green hills and meadows. Paths wind through grassy fields with small rocks and bushes forming the walls. Wide corridors with 3 dead ends. The overall shape is organic and rounded, like a hillside landscape.

Decorative Elements:

- Other sheep grazing safely in the background (outside the maze)
- Small wildflowers dotting the edges
- A peaceful blue sky with fluffy clouds at the top
- A small stream running along one edge of the maze (not part of the path)

Difficulty Level: Medium

Starting Point: Three Wise Men on camels, carrying gifts, positioned at the top-left corner.

Ending Point: A manger with Baby Jesus, Mary, and Joseph inside a stable at the bottom-right corner.

Maze Path Shape/Theme: The maze paths are shaped like a winding desert trail under a night sky. The corridors are slightly narrower than the Easy mazes, with 4 5 dead ends. A bright star sits at the top of the page, and the correct path generally "follows the star" (trends downward and to the right). The maze has a slightly larger footprint to accommodate the medium difficulty.

Layout Notes:

- A small trophy or ribbon medal icon appears above the header
- The name line is long and clearly marked for writing
- The verse at the bottom is in italics with the reference in bold

- The overall feel is formal yet child-friendly like receiving a real award
- A small illustration of an open Bible with light radiating from it appears just above the verse
- The page can be cut out or photocopied for display (suggest this in small text at very bottom: "Tip: Cut this page out and display it on your refrigerator!")
- Stars and decorations can be colored in by the child for a personalized touch

Printing Note for Illustrator: This page should feel special and "official" like something a child would be proud to show their parents. Consider using a slightly different paper texture or background (cream/parchment) to set it apart from the rest of the book.
